

Senate Resolution (2024:2)

Title: SGA Structural Changes
Author: President Brady Compaan
Date: February 6, 2024

- Whereas:** The SGA team has undergone significant changes in regards to size and therefore scope; and,
- Whereas:** SGA is no longer able to accurately represent all unique student groups present at APU; and,
- Whereas:** The [previous SGA structure](#) necessitated annual change to maintain relevant representative needs, requiring yearly reviews and practice of formalized procedures, thus costing SGA resources; and,
- Whereas:** The previous structure prioritized specialization, incentivizing individualism at the cost of teamwork and collaboration; therefore,
- Be It Resolved:** SGA will adopt a [new working structure](#) that more effectively represents the current needs of the APU student body and is better equipped to adapt to annual changes; and,
- Be It Further Resolved:** The new structure will be centered around committees, ensuring collaboration and teamwork between all SGA members.
